Dear Sri Vishnu,
Sairam.

Both the amounts Rs 50,000 and Rs 40,000 have deposited in the SSSBPT account thank you very much for your noble contribution.

When are you landing in India so that we can meet for 1 or 2 days and discuss the 90th Birthday activities.

I really congratulate you for being asked to prepare a website for SSSSO, India. It is your devotion, dedication and disciplined approach to the organisation that has made persons to recognize your value and need.

I really feel motivated and fortunate to work with you and many a times you are a role model to all the members and devotees. I pray Bhagawan to shower His Grace on you and your family members.

Ever In Sai Seva
