Dear Sri Naresh Sharma, Sairam.

I am very happy to hear from you that the shooting of Sai activities in India is starting. It will be a great help for the Sai momentum as many people who does not know the Sai activities, will know now. Sri Vishnu Vardhan Rao who is residing in Hyderabad will be incharge from AP State and he will assist you during the shooting in AP.

Regarding the schedule of shooting in AP, I request you to communicate directly with me because we have requested 30 days for the shooting but we are allowed only 3 weeks. So I need to adjust the schedule in our state and cover all the activities in 23 districts. You can also mark a copy to Sri Vishnuvardhan Rao which I will also be doing.

Subject: Sairam - Coordinators List for the Sai Documentary
Dear Sirs,

Loving Sairam and a very Happy and blessed New Year to you all. My name is Naresh Sharma and I will be assisting Mr Gene Massey on the Sai Documentary, the shooting of which will commence soon.

I write to request you all to kindly nominate one person from your state who will be the representative of your state in helping and facilitating our shooting and with who I can coordinate regarding the schedule plans. As our shooting schedule needs to follow a strict timeline, it would help matters if the person nominated is well versed with all events of activities that your State undertakes and also all the personnel connected with them, and can aid us through any difficulty that may arise in the course of the shoot to ensure a smooth flow of plans. Kindly provide me with the Name, Number, Email of the coordinator from your state and i will initiate communication to take things forwards.

Thank you,
In Sai Friendship,
Naresh Sharma

Everything else can wait, but your search for God cannot wait..
