SRI SATHYA SAI SEVA ORGANISATION-SIVAM-HYDERABAD

4th July 2006, Tuesday

Dear Brothers and sisters, Sairam and good day

You may recall we discussed about establishing DEENA JANODDARANA PADHAKAM institution very similar to (close) what Bhagawan has established at Prashanthinilayam. This institution has just now celebrated its fourth anniversary on 20th June 2006.

In this connection, you may note that one of our Sai Brothers Sri Vishnuvardan rao garu of Saroornagar has established one such institution in the city with four boys to begin with. Although it may not be very big or follows certain norms envisaged, he has taken care of most of the needs. In course of time it could become standardized. I consider this as a good divine step and let us wish all the best and pray for Swami's blessings!

In this context our Organization has borrowed some ideas from others in the state who have been operating such institutions and drawn our norms for establishing one such here.

I am here with enclosing the format for your information and sharing with others as we are likely to commence one with these standards sooner.

Love, regards and thanks
