Communication-Bulk SMS

Smile and the world will smile with you!

Aum Sri Sairam

Sri Sathya Sai Seva Organisation

Communication-Bulk SMS

- Effective Communication is the key to success.
- Constant communication makes the subject 'important'.
- Information leads to awareness and transformation.
- Constant persuasion is leadership.
- Use of Technology to communicate.
- Mobile Technology & Apps is the present and latest ones.
- Use fastest method aiming at large number of personnel with minimum time spending on net.

Aum Sri Sairam

Sri Sathya Sai Seva Organisation

Communication-Bulk SMS

- Look at cost aspects-affordable agency.
- With little knowledge of net, one can reach hundreds of devotees/sevadal within minutes.
- SMS is an e-document and conveys a clear message of the subject—can stay for many days (if time permits –phone example)
- Receiver does not require any net knowledge (Bhajan mandalis/remote Samithis in rural).

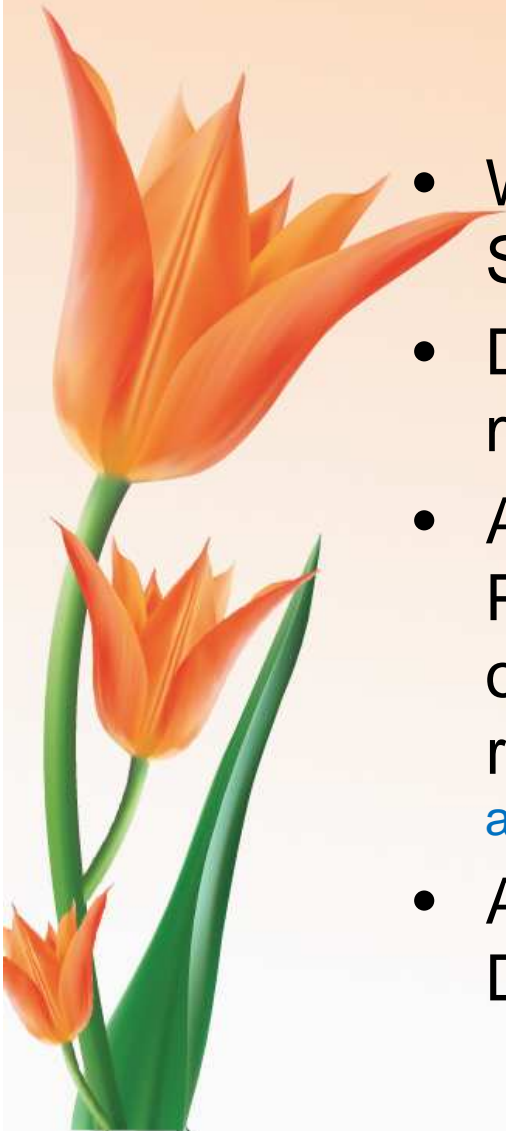

Aum Sri Sairam

Sri Sathya Sai Seva Organisation

Communication-Bulk SMS

What types of messages

- Wishes, Greetings, Thanks, Reminders, PN Services, Meetings, Appreciations etc.
- District, State & All India Info to the Bhajan mandalis and to the gross root level sevadal.
- A message from State President/VP/Dt President can reach in minutes to thousands of sevadal. This may lead to develop human resources & improve activities. [Uniformity can be achieved all over India in every wing.](#)
- A circular can reach to more than 400 + District Presidents all over India within 1 hour.

Aum Sri Sairam

Sri Sathya Sai Seva Organisation

Communication-Bulk SMS

How it works

- Bulk sms works with TRAI regulations and is a legal and approved method (used mainly by marketing/political/social/NGO s etc).
- Six lettered 'Sender ID' has been approved by Govt of India.
- Can even send SMS to DND numbers of TRAI approved Transactional Route services.
- Can check the status of delivery of message in the 'SMS Campaign Reports'
