

Respected Sai brothers, Sairam and good day,

Very happy to announce that India Map in <http://sailoveinaction.org> is filled with nine (9) Red Spots (Phase-1) featuring various service projects and as I receive more from other Indian States, I will be uploading them. Please share this news with everyone in your state.

I am thankful to our beloved Bhagawan and our All India President, National Vice-President and my State President (AP) for giving me this wonderful opportunity to work for this global web site. I request all of you to see the projects by clicking the links below and lend your suggestions. Tamil Nadu service project-Transforming Villagers is approved but I am waiting for good photos.
