Nick,

Happy New Year.

I take it that Vishnu our mud engineer had to reapply for a new visa as we all do periodically. When will he be returning to duty on regular rotation at Rig 2, very soon I hope. I hold Vishnu in very high esteem; He is a true professional who takes his job seriously. You are well aware that I demand excellence from all of my personnel. Vishnu continues to exceed expectations while others can't meet expectations. To continue to have a winning team, I need Vishnu.

Please confirm when Vishnu will be returning on regular rotation.

Kelly.
